Spiritual Preparation for the Days of Awe

Celebrate the many changes of the season with an opportunity to nourish your mind, body, and soul.

The Selichot Service offers us the opportunity to begin our spiritual preparation for the Days of Awe. Join us for a study session, service, and the public changing of our Torah covers from purple to white. Beginning with Havdalah, you will experience a moving and beautiful service of music, poetry and prayer. The evening will end with a wine and cheese reception sponsored by our Kedusha Committee.
