

Mrs Robinson (The Graduate, 1967)

**And here's to you, our community
Thanks for being here with us tonight, yai dai dai
Let's Raise our voice, one community
Celebrating Purim and Shabbat**

We're going to sing and pray together on this special night
We're going to learn about this holiday
Look around you, all you see are smiling friends and joy
Clap and hum along and make some Purim noise

**And here's to you, our community
Thanks for being here with us here tonight, whoa whoa whoa
And raise your voice, one community
Celebrating Purim and Shabbat**

Singing about Haman and our favorite Mordechai
But don't forget about Queen Esther
Look around you - you will see your clergy in disguise
But most of all you got to feel that Purim joy

**Koo koo cha choo, at PTBE
Having so much fun, that's how it goes, whoa whoa whoa
Let's pray and sing, at PTBE
Celebrating Purim and Shabbat**

L'cha Dodi / Stand By Me, 1986)

When the sun has set
And the night is dark
And the candles are the only light you'll see

No I won't be delayed
No, I'll stand and pray
To welcome the bride: *L'cha dodi*

**So come and come and sing with me:
Oh sing with me
As we welcome Shabbat
L'cha Dodi**

When Shabbat, that we look forward to
Is finally here
We feel peaceful, so rested, and carefree
She's a bride, She's a bride
Yes her beauty is so dear
So we stand up and pray she appears

**So come and come and sing with me:
Oh sing with me
As we welcome Shabbat
L'cha Dodi**

Barchu / Footloose (1984/Footloose):

Been praying so hard..
Been grateful to God
Each morning and night
I'm trying to get it right

I've got this feeling that we are ready to pray
Somebody teach me, oh can you show me the way...

**Everybody Barchu, Barchu
Let's come to pray as Jews**

**Please with ease
Come on and bend those knees,
Now bend low
Come on come on and let's go
Bow as Jews, Everybody pray, Barchu!**

Barchu et Adonai
Ha-a-a-me-vorach
Baruch adonai
Hamvorach L'olam vaed

I've got this feeling that we are ready to pray
So let me call you, cause we're gonna barchu today
CHORUS

We've got to join in the crowd
And put those intentions out
Now, grab a hold of your soul
Ahh....
Everybody Barchu!

Shema: Muppet Movie 1977: Rainbow Connection

Why are there so many
Prayers about Adonai
We're always praising the name
Shema's about unity
Acknowledging oneness
We sing as one and the same

So we stand strong as the people of Israel
Singing out what we believe...
Shema Yisrael, Adonai eloheinu, Adonai echad

We hope that every prayer
Will be heard and answered
When sung in community
That's why we sing Shema
Voices together
Singing in harmony

Expressing our longing and Feeling belonging
Being the best we can be
Baruch shem, Kvod malchuto, l'olam vaed

All of us singing as one
Isn't it just so fantastic...

Sing it when you fall asleep and when you wake up
Shema are the words we say
these are the sweet sounds - from our holy Torah
We sing as one and the same.

I hear it sung every time that we're praying
It's something that we all know

*Shema Yisrael, Adonai eloheinu
Adonai echad*

V'ahavtah (Nothing's Gonna Stop Us) - Mannequin
You shall love your God with
All your heart and soul and
Take this to heart, as you go on your way

Teach them to your children
So that they will listen
This love in our heart
That we're feeling for You

**Lovin Adonai, Yes -- this we know
You shall love your God with all your might and all your
soul
Take this love around us
Just pass it on
These are the words that will keep us strong**

*And we can sing the V'ahavta
b'chol l'vavcha*
**On your door and on your gates
Because You led us out of Egypt
We celebrate that freedom
Nothing's gonna stop us
Observing Your commandments, now**

A mezuzah on the doorpost
A sy-ym-bol on each home
This love in our heart and these words that we say
Recite them on your journey
In the morning and the evening
Whatever it takes *V'ahavtah* each day

**Lovin Adonai, Yes -- this we know
You shall love your God with all your might and all your
soul**

Take this love around us
Just pass it on
These are the words that will keep us strong

And we can sing the *V'ahavta*
b'chol l'vavcha
On your door and on your gates
Because You led us out of Egypt
We celebrate that freedom
Nothing's gonna stop us
Observing Your commandments, now

Eye of the Tiger (Survivor: 1982) Rocky III/Mi Chamocha:

Slavery, feeling the heat
Working hard building pyramids
God heard our grumbling we were feeling defeat
So Moshe God he sent to revive

So many plagues, they happened so fast
Wasn't prepared for how gory
But we never lost our dream to be free
Must escape if we're to stay alive

We sing the Mi Chamocha
For the thrill of the plight
Moving forth through the forming walls of water
And the last of Egyptians
Follow into the depth
Singing out for our chance to survive
Mi Chamocha

Mi chamocha baelim adonai
Mi Kamocha nedar Ba kodesh
Nora tehilot oseh Feleh
Nora tehilot oseh Feleh

Through the water, freedom arrives
Moses leadership we did trust
wandering the desert for 40 years
God's miracles all around us

**We sing the Mi Chamocha
For the thrill of the plight
Moving forth through the forming walls of water
And the last of Egyptians
Follow into the depth
Singing out for our chance to survive
Mi Chamocha**

Oseh Shalom (Shallow)

Oseh shalom
Oseh shalom bimromav
Hu Ya'aseh shalom
ya'aseh shalom Aleinu
V'al kol yisrael, v'al kol yoshvei teivel
V'imru Amen

Peace be upon us, from the high heavens
For all of those who dwell
Peace be upon us

Abundant and Holy
To which we say Amen

The Tale of Purim: The Graduate 1967: Sound of Silence

Hello our congregation friends
We've come to tell it once again
Because it's written in the Megillah
Jewish law commands that we have to
Recite this ancient story of our faith
So we remain

We tell the tale...of Purim

It was in shushan long ago
The King said Vashti had to go
Just because she said she wouldn't dance
After that she never stood a chance
And Ahashveroush was left alone without a queen
Was quite a scene
It's in the tale of Purim

And afterward down in the streets
Mordechai and Haman meet
But Mordechai said that he wouldn't bow
And Haman answered, "oh you think that now,
Then I will hatch a wicked plan to kill the Jews"
It's real bad news

For the tale of Purim

So Mordechai he had to scheme
That's when he heard about the queen
He thought of Esther who was his niece
Maybe she would be the missing piece
And she could tell The King to save our lives
That would be nice

For the tale of Purim

When Esther entered the kings throne
She was scared and all alone
But she asked him to save her people
And exposed that Haman was Evil
And She and Mordechai became the heroes of the tale
The Jews prevailed
This is the tale of Purim

And now we celebrate with joy
Waving our groggers to make noise
And when we're eating our Hamentashen
We celebrate that Haman didn't win
And the Jewish people have stayed alive and strong
For centuries long
To tell the tale of Purim

At PTBE / 9-5 (1980)

No praying alone
We're comin' together
On zoom in person
No matter the weather
Our spirits high
The place we want to be

Bring your friends, your mom or even your cousin
You know this is the shul that's buzzin
And all are welcome
At PTBE

At PTBE

It's the place we love to come to

At PTBE

It's the Jewish home we run to

You just spend your time

Praying and a shmoozing

This community, yes it's the one we're choosing

At PTBE

We're laughing and we're singin'

At PTBE

Where your clergy are all women

And of course we love

The music at each service

It's the place we come to fill our hearts with ruach

You can volunteer with Rodfei Tzedek

Or make some lunches with SSH on Sundays

And all the ways we do Tikkun Olam

Shabbat Family Jam for the little ones

At Rishonim we're having fun

Cause that's what we do at PTBE

At PTBE

Join in with Beth El Women

At PTBE

**Give your money to Chai Giving
We thank our trustees
For the time you sit in meetings
And comin' up to share the Shabbat greetings**

At PTBE

It's the place we love to come to

At PTBE

It's the Jewish home we run to

You just spend your time

Praying and a shmoozing

This community, yes it's the one we're choosing!
